Sonja,

Donna seems to think that 11:30 will be fine. She has a motion this morning for this case first thing. I just spoke to her regarding tomorrow and she has no idea what the day is going to bring. I did inform her that you have a case in Chicopee tomorrow. I guess we will just have to wait and see...Wish I could give you a more definite answer.

Michelle

Hi Michelle-

If, depending on how far the trial goes today, you think that I will definitely be needed earlier than 11:30 on Wednesday, there would not be a problem for me to get there whenever I am needed. But please let me know as soon as you find out as I also am on call for a District Court case in Chicopee tomorrow and I am trying to keep that ADA informed as to what is going on. Thanks.
